

GENERAL INSTRUCTION TO THE ENUMERATOR.

As soon as possible after the completion of the Enumeration—

(1.) *Arrange the Householders' Schedules in order* so that all those relating to one Parish or Township, Hamlet, Ecclesiastical District, &c., are together.

NOTE.—This order will be indicated by the Schedule Numbers entered in your "Memorandum Book," prepared in conformity with the instructions.

(2.) COPY VERY LEGIBLY *in ink* the Householders' Schedules into this *Enumeration Book*, in accordance with the following directions:—

Directions respecting the manner of entering the Householders' Schedules.

1. Insert first, in the spaces at the top of the page, the name of the Parish or Township, City or Municipal Borough, Ward (if in a City or Municipal Borough), Parliamentary Borough, Town, Hamlet, &c., or Ecclesiastical District, in which the houses of that page are situate, drawing your pen through such of the words as are inappropriate.

2. In the first column, write the *No.* of the *Householder's Schedule* you are about to copy, commencing with *No.* 1; in the second column the name of the Road, Street, Square, &c., where the house is situate, and the *No.* of the *house*, or any distinctive Name by which it is known; then insert in the third column the figure 1 for an Inhabited House, and Copy from the Schedule into the other columns all the particulars concerning the persons mentioned therein, making use of any of the authorised contractions (see below), and taking especial care to class the *ages* of MALES and FEMALES under their PROPER COLUMNS.

Proceed to enter in the same manner the other Schedules, up to the last, in strict numerical order.

3. Under the name of the last entered person in each *house*, draw a DOUBLE line, as in the example on the opposite page, to separate the inmates from those of the house next following; and where there is *more than one Occupier* in the same house, draw a *single* line to distinguish each Family, as in the example. [NOTE.—*A Lodger, with or without a family, is to be considered an Occupier*].

4. Where you have to insert an uninhabited house, or a house building, do this by writing in the fourth column, "1 U," or "1 B," on a distinct line, following the order in which the houses occur in the Road, Street, &c. When two or more houses, uninhabited or building, occur together, insert the total number, thus:—"3 U," "2 B," as the case may be.

5. At the bottom of each page, on the line for that purpose, enter the total number of houses in that page, as in the example. If the statement respecting any inhabited house is continued from one page to another, that house will be reckoned in the total of the houses in the page on which the *first* name is entered. Enter also, on the line at the foot of the page, the total number of MALES and FEMALES in that page.

6. When all the Schedules belonging to any one *Parish or Township, Borough, Ward, Town, Hamlet, &c., or Ecclesiastical District*, have been entered, write across the page, "*End of the Parish [or Township] of —.*" "*End of the Borough, Ward, Town, Hamlet, &c., or Ecclesiastical District, of —.*" following this order of preference where the boundaries are conflicting. Make the next entry on the first line of the following PAGE.

Persons not in Houses; and Completion of the Enumeration Book.

After having completed the entry of all the HOUSEHOLDERS' SCHEDULES, according to the above directions, commence a fresh page, and writing over the top "*List of Persons not in Houses*," proceed to copy from your "Memorandum Book" the particulars contained in the List of Persons who slept in Barns, Sheds, &c.; but in making up the totals at the foot of that page, the columns headed "Houses" must be left blank, as Barns, Sheds, &c., are not to be reckoned as *Houses*. Then, having satisfied yourself of the correctness of your book, fill up the tables on pages iv. and v., and sign the Declaration on page vi.

CONTRACTIONS TO BE USED BY THE ENUMERATOR.

ROAD, STREET, &c.—Write "*Rd.*" for Road; "*St.*" for Street; "*Pl.*" for Place; "*Sq.*" for Square; "*Ter.*" for Terrace.

NAMES.—Write the *First Christian Name* in full; *initials* or first letters of the other Christian names of a person who has more than one, may be inserted.

When the same *surnames* occur several times in succession, write "do." for all such surnames except the *first*, which should be written in full.

Where the name or any particular is not known, "*n. k.*" should be entered in its place.

In the column "RELATION TO HEAD OF FAMILY," write "*Head.*" for head of family; "*Daur.*" for daughter; "*Serv.*" for servant.

In the column "CONDITION," write "*Mar.*" for married; "*Un.*" for unmarried; "*Wid.*" for widower.

In the columns for AGE write the number of years carefully and distinctly in the proper column for "Males" or "Females," as the case may be; in the case of Children under

One Year of age, as the age is expressed in months, write "*Mo.*" distinctly after the figures.

In the column for "RANK, PROFESSION, OR OCCUPATION," the following contractions may be used: "*Ag. Lab.*" for agricultural labourer; "*Ap.*" for apprentice; "*Cl.*" for clerk; "*Serv.*" for servant.
